

PETROLEUM PRODUCTS MARKETING COMPANY (PPMC)

PPMC

PPMC Vision And Mission

To be the preferred supplier of refined petroleum products in the Nigerian domestic market and exploit opportunities in the Sub-Sahara region

To provide excellent customer service in marketing petroleum products to domestic and international markets in an efficient, profitable and competitive manner

BACKGROUND

The Petroleum Products Marketing Company (PPMC) was created during the unbundling of the Pipelines and Products Marketing Company (PPMC), in 2016 as an Autonomous Business Unit (ABU) under the downstream business unit.

OUR KEY RESPONSIBILITIES

- **The Petroleum Products Marketing Company Limited (PPMC) is the NNPC Autonomous Business Unit charged with the following responsibilities;**
 - **Ensuring uninterrupted supply and distribution of petroleum products nationwide.**
 - **Managing of crude supply from export terminals to the four domestic refineries based on the allocated 445,000 barrels of Crude Oil per day to NNPC for refining and supply of petroleum products to the domestic market.**

ADDITIONAL ROLES INHERITED TO ENSURE THE AVAILABILITY OF PRODUCTS

PPMC Activities:

- National Strategic Reserve Holder for PMS
- Supplier of last resort during periods of scarcity
- From a commercial point PPMC is a downstream oil company whose sole responsibility can be viewed as:
 - The wholesale of petroleum products either from domestic refining or from imports.

PPMC Strategic Objectives

- To improve supply and marketing of petroleum products to boost profitability.
- Ensure optimal distribution of petroleum products nationwide.
- Sell petroleum products in bulk to coastal and other marketers.
- Enhance revenue collection and accountability and recover outstanding debt owed by customers.
